COVID-19 Provider or Healthcare Worker Information

Effective 4.6.2020 Medicare changed the rules for Telehealth visits.

Please only use the new rules!

COVID-19 ICD10C odes for Providers

- **U07.1** - COVID-19 Diagnosis
- **Z20.828** - Exposure to COVID-19 virus
- **Z71.89** - Educated about COVID-19 virus including risks

Billing Modifiers

DO NOT USE BILLING MODIFIER "CR" – Rules have changed

- ~~Billing Modifiers: COVID-19 Emergency Related – "CR" Modifier – Catastrophe/Disaster.~~
- ~~Use the "CR" modifier on any visit that was initiated **because of or due to** COVID19 or when a service would not have otherwise been performed outside of the COVID19 Pandemic. Ex: Any time a swab was ordered, or routine COVID19 Assessments, etc.~~
- ~~All "CR" visits are paid out of a special federal COVID19 Crisis Fund set up to reimburse providers for the extra work they are doing during the COVID19.~~

Telehealth Billing

- Telehealth:
 - ~~Use "02" Billing Location on **ALL** Telehealth Visits **DO NOT** use the Facility's Location~~
 - ~~Use the "CR" Modifier on any Audio only Telehealth Visits~~
 - Telehealth is reimbursed as office visits rates which are less than our traditional F2F visits
 - New: (Level 4) 99204: \$50 (Level 5) 99205: \$65
 - Est: (Level 3) 99213: \$25 (Level 4) 99214: \$35 (Level 5) 99215: \$45
 - 99497: \$20 99483: \$68 G0506: \$16
 - You CANNOT bill time codes during Telehealth Visits
 - **DO NOT use "02" as the Billing Location**
 - Use the normal Facility Location ex: Mariposa of Mesa Billing Location "13"
 - Telehealth Billing Modifiers: **"95" Modifier**
 - **ALL telehealth visits must have the billing modifier "95".**
